Ozarks Outdoor Legacy

Home

Prepare for a grand adventure when you come take a vacation in this breathtaking 5 bedroom home, right in the middle of the beautiful Ozarks! No matter your reasons for celebration, this private and secluded home is a wonderful place to settle down and spend time with those you love. There's a lot of love to go around, too, since this home can sleep up to 20 people! Five separate bedrooms means that everyone has their own space with no bumped elbows or smashed toes. Stay inside or take a breather on one of two outdoor decks. This is also a multi-level home, allowing for two separate living areas with tons of room. But, space isn't the only thing this home has an abundance of! You have all the comforts of home in this enchanting vacation rental, with all the regal sophistication you could ever ask for. Make a delicious meal together in the luxurious island kitchen as you discuss all the fantastic ideas you have for spending your day. Take a seat in either of the living areas as you catch up on all your favorite TV shows and laugh together, or hold a Foosball tourney! If that's just not exciting enough, we can really turn up the heat: an outdoor barbecue-slash-hot tub party! Both a charcoal grill and a wonderfully bubbly
